IMAGERY INFORMATION REPORT

NEW PROBABLE AIR-TO-AIR MISSILE AT AKHTUBINSK/VLADIMIROVKA
AAM SUPPORT COMPLEX, USSR (TSR)

(TSR) A probable new air-to-air missile (AAM) was observed in the AAM
Support Complex at Akhtubinsk Flight Test Center

The missile was between two shipping containers on the
large concrete apron in the western portion of the complex. Shadows cast
by a shipping container partially obscured the starboard control surfaces.
Mensural analysis* was performed on the missile and the shipping containers.
